The Honorable Sam Graves
Ranking Member
Committee on Transportation
and Infrastructure
U.S. House of Representatives

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the New Access Road at the Rock Creek Interchange (WV State Project No. X303-119-15.15 03) in surface transportation reauthorization legislation.

The project sponsor for this project is the West Virginia Department of Transportation and the project is located in Boone County West Virginia, off U.S. Route 119 near the community of Rock Creek, West Virginia.

The funding is designated for the development of a new 2.5-mile access road into a developable property off of US 119 near the Community of Rock Creek.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of connecting the citizens of the region to a part of the state that has been cut off from development and is in a prime position to become an economic hub of Boone County and the surrounding Appalachian region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller
Member of Congress
